

# The Thunder Game

It is played with 2 teams. One team is at bat with a tee or soft-toss, the other team has one fielder on 3<sup>rd</sup> base and one on 1<sup>st</sup> base. The batter hits the ball off the tee or from a soft-toss as hard as he can and runs as many bases as he can until BOTH fielders have touched the ball.

When the next batter is up switch fielders so all kids get to hit and play the field

Keep score by counting bases reached before the ball is touched. After all batters have batted, and all fielders have touched the ball switch sides.
